

# Garapa

GOLDEN LIGHT, REFINED BY NATURE

**Garapa** shines with luminous golden tones that capture and reflect natural light, infusing spaces with warmth and modern clarity. Its smooth grain and radiant finish create an atmosphere of elegance that feels both inviting and sophisticated.

*Decking Cladding Ceiling*

## Benefits

- 1 **Naturally durable** with excellent resistance to rot and insects.
- 2 **Lighter in weight** yet highly stable for architectural use.
- 3 **Smooth surface** ideal for contemporary finishes.
- 4 **Maintains its golden glow** or can be allowed to weather into a soft silvery patina.
- 5 **Cost-effective premium** alternative without compromising beauty or performance.

## Sustainability

Exclusivity means nothing without responsibility. Platinum Label hardwoods are sourced from certified forests, ensuring traceability, respect for ecosystems, and long-term sustainability. Each board is a conscious step toward a better future.

## Ideal Applications

Perfect for sunlit decks, façades that demand brightness, and interiors where warmth and elegance must coexist. Garapa enhances spaces with a modern yet timeless character.

*Garapa is more than a hardwood—it is light captured in architecture, designed for visionaries who want spaces to radiate life and sophistication.*

*Begin your next masterpiece*
