

Jatoba

PLATINUM LABEL™

THE ELEGANCE OF FIRE

Jatoba, also known as Brazilian Cherry, glows from a light orangish brown rich reddish-brown tones that deepen gracefully over time. Its smooth grain and natural luster give it a refined presence, making any architectural space feel grand and enduring.

Decking Cladding Ceiling

Benefits

- 1 **Exceptional hardness** and density for superior durability.
- 2 **Naturally resistant** to wear, rot, and insects.
- 3 **Ages into deeper**, richer tones with elegant patina.
- 4 **Excellent dimensional stability** under heavy use.
- 5 **A hardwood that balances** visual refinement with strength.

Sustainability

Exclusivity means nothing without responsibility. Platinum Label hardwoods are sourced from certified forests, ensuring traceability, respect for ecosystems, and long-term sustainability. Each board is a conscious step toward a better future.
