

# Tigerwood

NATURE'S BOLDEST SIGNATURE

**Tigerwood** captivates with dramatic streaks of orange, copper, and deep brown, creating a striking visual rhythm across every board. Its exotic grain patterns feel alive, turning surfaces into vibrant canvases of movement and energy.

*Decking Cladding Ceiling*

## Benefits

- 1 **Naturally durable** and resistant to rot, insects, and decay.
- 2 **Distinctive striping** ensures every project is unique.
- 3 **High density** for long-lasting performance.
- 4 **Excellent stability** in diverse climates.
- 5 **Combines exotic beauty** with reliable structural strength.

## Sustainability

Exclusivity means nothing without responsibility. Platinum Label hardwoods are sourced from certified forests, ensuring traceability, respect for ecosystems, and long-term sustainability. Each board is a conscious step toward a better future.

## Ideal Applications

Ideal for signature decks, façades, and interior features where design must stand out. Tigerwood transforms functional surfaces into architectural statements.

*Tigerwood is not just a material—it is nature's artistry in motion, chosen for projects that dare to be unforgettable.*

*Begin your next masterpiece*
